

SKATING SCHOOL

We welcome you to the wonderful world of figure skating.

- Your child is starting or continuing a lovely hobby.
- In our skating school we learn to skate with fun and games.
- Skating school groups start on either Monday 30.8.2010 at 18.15 or on Wednesday 1.9.2010 at 18.00
- You can join by going to the figure skaters own website www.salpa.net
- You should dress your child with a hat, gloves and light but warm clothes. Your child also has to have A HELMET. It would be good to check the condition of the skates before going on the ice. It is good to sharpen your skates once in a while.
- The fee (autumn term): practice once a week 80e + 10e for SalPa (club's annual membership fee) or practice twice a week 140e + 10e SalPa (club's annual membership fee). The payment includes insurance for child under the age of fifteen.
- New skaters can try skating 2 times free of charge. The fee for the autumn term will be invoiced in October.
- On the ice your children are taken care of by trained coaches and practicing coaches. All coaches are more than happy to answer any of your questions.
- Skating days are Monday 18.15(Salon Jäähalli, Salo ice rink) and Wednesday 18.00 (SSO-halli, SSO- rink), both rinks are located at the Salo Urheilupuisto. Each skating session is 45 minutes.
- Skating school can be started in the middle of the season by contacting Tiina Huhtala ([tiina.huhtala\(at\)salpa.net](mailto:tiina.huhtala@salpa.net))
- Please visit our internet pages www.salpa.net and the notice board at the Salo ice rink continuously.

See you at the rink!
